Treasurer's report was read and noted. Mr. Dumas reported that it is possible no extra money will need to be transferred from other sources to pay 1976-bills. There is sufficient balance in the salaries account. He reported that the FY 1977 budget was accepted by the Town Council as requested except for \$518.00 in the vacation replacement account. The total FY 1977 budget is 115, 811. 00, which includes appropriation, state aid, dog tax, and the trustee contribution of \$15,000.

The Secretary's report was read, and because so many items have been subsequently changed, it was suggested that the minutes be rewritten. Mrs. King will do.

A letter was read from Peter Dirlam complimenting the Reference?Information staff on their work.

Regarding the Alexander painting, Globe Village, Mrs. King read the Vose Galleries appraisal. They value the painting at \$8000. Their bill for \$50. was given to the treasurer. The board discussed the painting at length. Mrs. King reported from Mr. Harlow and Mr. Curtis, that the painting is in poor condition. At the least it should be refastened at the back; ideally the face should be restored. The cost would likely be about 300.00. In view of the condition Mrs. Pioppi moved and Mr. DiGregorio seconded, not to permit the painting to be sent to the Greenville Museum of Art for a show in October. Mrs. King will notify them.

The building committee has not yet received figures on the cost of a smoke alarm system. The new study rooms in the fifth stack are being constructed by the Town carpenter, Nel Corriveau and his staff; they are well along. There will be three exits onto the fire escape.

In view of current problems with the Bureau of Library Extension, the association is recommending a study committee to be comprised of all interested facets of the library community - Al showed the script of a play to be produced at the Association annual meeting in September.

Re the Gillon reception on June 24, King reported all ready. Mrs. Pioppi described the work of her food committee Georgette Coderre is co-chairman. All food is at cost from Henry Palmerino. The Trustees and their wives are invited to dinner at the Public House at 5:30.

Following further discussion re the oil issue, the Trustees voted to have Mr. Muenzberg notify Mr. Cox of Southbridge Coal Company that henceforth the Library will be provided with oil by the carrier winning the Town bid, and to notify Mr. Rubenstein to notify McKinstry Oil Company, the current carrier, to include us in their delivery service as soon as possible.

TRUSTEES MEETING

JACOB EDWARDS MEMORIAL LIBRARY-11/23/76

PRESENT: Mr. Digregorio, Mr. Dumas, Mr. Lenti, Barbara King,
Mr. Lewis, Mr. Muenzberg, and Mrs. Pioppi

Secretary's report was read and accepted
Treasurer did not submit a report at this meeting.

BUILDING COMMITTEE reported the completion of all renovations. Total expenditures were \$5,051.91. The Town budgeted a total amount of \$4,104.63 leaving a balance of \$947.28. Trustees then voted to release \$1,000.00 to the Library for the purpose of paying this balance and for any additional bills that may not have been received at this time. Motion was made by Mr. Digregorio and seconded by Mr. Lewis. The Trustees expressed their satisfaction at the work done on the building including the adult study rooms, the completion of children's room improvements, the repainting of the entire stack area, the renovation of the former young adult area and the addition of electrical service for air conditioners and the back door switch.

OTHER BUSINESS

Mr. Muenzberg brought up the old business of complaints about the lack of best seller fiction titles in the collection. This matter was the focus of a new discussion in which the librarian described her method of allotting book money. Proportions of the total are allocated to reference, non-fiction, and fiction according to demand and to the librarian's assessment of needs. Mr. Muenzberg and Mrs. Pioppi were concerned that services other than books take needed staff time. Mrs. King assured them that no staff member's time previously devoted to the book collection has been diverted to other programs, merely that the increase in all activities has caused a back-up of book handling. She reiterated that a clerk has been requested for the past two years and is still needed. The Trustees advised her to fight for a clerk in the 1978 budget. Several trustees expressed their satisfaction with current library programs.

Members expressed pleasure at the Town Council Tour held November 22nd. Six members of the Council attended and were escorted throughout the building with various staff members explaining their duties.

Mrs. King lamented the demise of the elderly 16mm projector used for showing films in the library. Mr. Digregorio offered to donate a new projector, and screen, if needed, to the library. Mrs. King accepted with much thanks.

The Librarian requested the Board ~~to~~ allow Bob Brown to sell his projected ethnic history of Southbridge at the Library. They did not favor this proposal; however, Mr. Lenti offered to assist Mr. Brown in marketing his book.

The next meeting is to be held December 21st at noon; Mrs. King will submit a list of budget items for the '78 FY budget and the Trustees will discuss them & add ideas of their own.
