## at Jacob Edwards Library

### So...what does the **library** have for **me?**

- A dedicated **Teen Area** on the first floor, complete with comfortable booths where you can meet with a friend, do homework, or just relax.
- Use our public **computers** to do research or write a paper (or even just check your Facebook!), or bring your own laptop, tablet, or smartphone and use our **free Wi-Fi**.
  - Having trouble **finding a source** you need for your homework? Ask us!
  - If you need a quiet place to study, alone or with a study group, we have 2 **Study Rooms** available for use on the 2nd floor, and plenty of tables throughout the library.
  - The library isn't just about books anymore - check out **DVDs, music CDs, Wii and DS games**, and more. You can even stop in and play a game of **chess!**
  - But if it's books you want, of course we have all the latest **Teen books, graphic novels, and magazines**. Even if we don't own a copy, we can get it for you through our Interlibrary Loan system.
- If you have a Kindle, Nook, iPad, or any device with an ebook reader, you can download **free ebooks** through our digital catalog: <http://digitalbooks.cwmars.org>
- Keep an eye out for free programs! For example, we have an **Anime Club** that meets every week (Tuesdays after school), and next month Debbie O'Carroll will talk about **Southbridge's own ghost stories** (October 18th at 6:30 p.m.).
- Questions? Stop by, Facebook us, or give us a call!
