Mr. Oswald J. Laliberte

Central Street  
Southbridge, Massachusetts

Dear Mr. Laliberte:

Enclosed is the Proposal for altering the basement in the Jacob Edwards Memorial Library, as per plan and specifications dated April 12, 1956, which has been accepted by unanimous vote by the Board of Trustees of the Jacob Edwards Memorial Library at its meeting on July 31, 1956.

The Trustees desire to omit the storage room in the boiler room as in Alternate #1 of your proposal, and to include the new heating proposal which is Alternate #2.

This would mean, then, that the contract is accepted for a total of \$9655, minus \$750, as in Alternate #1, and adding \$620, as in Alternate #2, or a total of \$9525.

We would appreciate your notifying the staff when you will commence construction.

At the same time, would you give us a proposal on a narrow, glassed-in showcase for the vestibule of the main entrance to the Library which would only be 1½ or 2 inches deep so that posters might be put in it?

Best regards.

Very truly yours,
