

**Report presented by email
to the Board of Trustees
by Margaret Morrissey, Director
October 26, 2021**

Building

- Carpets have been shampooed in the Children's Room and Craft Room.
- State inspection of the boilers 9/23/2021. Two issues were identified. The emergency shut off switches for the boilers has been installed 10/25. Colby has been contacted to install an appropriate drain on the air tank in the custodian's office.
- Water has flowed onto the floor in the Craft Room 10/5 and on another occasion. Removing the carpet from the Craft Room is being considered, as we have had a series of small flooding during the recent storms. A linoleum floor would replace the carpet and would be more suitable for this purpose.

Children's Room

- Weekly Storytime on Wednesdays is broadcast on Facebook Live.
- Regular programs Lego, STEAM, Crafty Wednesdays etc continue.
- Clara the character from The Nutcracker visited on Saturday 10/16. She read the story, demonstrated some ballet steps and instructed the audience in the steps also. The door prize was won by a young ballet dancer and she was most excited to be going to the performance at The Hanover Theatre during the Thanksgiving weekend. The event was broadcast on Facebook Live.
- Book talk and signing scheduled for Saturday, November 6th with Audrey Helen Weber showcasing her debut book: *The Day the Horse Got Out*. Copies are available for purchase at the circulation desks.

Collection Development

- Circulation staff in the adult department are continuing shelf checking and verification against the catalog.

Donation

- A donation of \$1,000 was received from a Sturbridge patron whose son spent hours as a child at the Jacob Edwards Library. He passed away last year and she wished to honor his memory by connecting to the library with an unconditional donation. I mentioned that we have an original collection (3) paintings that were illustrations from a book and would like to consider using some of the money to purchase an original work of art. She was pleased with this idea and I would like to propose that some of the money be used to buy an illustration by Audrey Helen Weber (Southbridge High School graduate and a NYT Book Review illustrator among other accomplishments).

Grants

- The library has worked with over twenty performers and presenters applying for Local Cultural Council grants from the Southbridge Cultural Council.
- A grant has been submitted by me towards the illumination of the two sculptures and the façade.

- Met with Emily Dunnak, Director of Museum Education at Old Sturbridge Village, to discuss areas of mutual interest and possible programming support on 9/28.
- Attended the Central MA Library Advocates trivia evening 10/22 in Sutton.
- Library Card Sign Up Month (September) we had a small drive in conjunction with a few of the classes in the school department.
