#### **Raffle Baskets**

We discussed raffles for 2025 as revenue generating.

Margaret would like to know what we want to spend on the raffles and what revenue we expect? Last year we did not spend much if anything as members provided the raffle items.

We need to find out the date range of the raffle permit we obtained last year. I think Carol was going to do this.

We decided to have a Game/Gaming raffle basket to coincide with our November 2025 book sale. Members will contribute items. We will drop them off at the Library before June 27.

We discussed places we can sit with the basket and sell tickets. If we want to sit at local supermarkets we need to arrange it ahead of time. Barbara to find out/call.

We can bring the raffle basket to Board Game Night at the senior center. Michael Brunelle, the Recreation Director, said we are welcome to attend and set up a table. Next is June 11 at 6:30 PM. The raffle basket won't be ready then.

We'll have a table where children can decorate paper leaves and bring them into the library for a used children's book. We need to establish a process with the children's room.

The \$30 fee for Autumnfest participation was moved, seconded and approved.

Want us to host a meeting at the library

Whoever hosts the meeting gets to present. Bernadette will give the Chess Park presentation.

We can offer them a Monday evening. We will have to provide food and drinks (not alcohol).

We will need paper goods. (Louise to purchase)

We need to know the number of people.
